

Hello

I'm Michael Jack

PORT HARCOURT, RIVERS 500272

+234 810 116 1134

ZEPHYRJACK2017@GMAIL.COM

<https://michaelinvicto.github.io/portfolio-website/>

Skills

My skills include

- JavaScript
- SCSS
- React Js, Next Js
- Redux Toolkit
- Web Automation & Web Scraping
- Desktop Automation
- GUI desktop app development

Experience

NOV 2021 - PRESENT

CoAdjutor Max - *Lead Developer*

I work as a Full stack developer for this startup. Although we are tight on funding, I still try to do as much as I can.

JAN 2021 - MAY 2021

Software Express - *Teaching Assistant*

I helped the students in building their first GUI desktop application in python and connect it to a Flask API hosted on heroku.

OCT 2019 - JUNE 2020

Alabipal - *Lead Developer*

This was a small company that developed automated betting software. I helped in the management and development of all their programs.

Education

Self Taught

I've been teaching myself programming since 2018

University of Port Harcourt

Department of Computer science. Started in 2019. Almost done
